More info: www.intact1.com
Contact: info@intact1.com

What are we offering?

What will you achieve?

Able to use a range of concepts and applications to support the client
Able to establish clear and ethical contracts even in ambiguous settings
Flexible in your relationship with the client in order to meet their needs
Able to use feedback and challenge effectively to enable client learning
Able to explore the wider impact of your interventions
Able to apply a rigorous process of (self) evaluation to improve practice
